THE MEANING OF ENGAGEMENT AND MARRIAGE IN THE ORTHODOX CHURCH FROM THE PERSPECTIVE OF YOUNG PEOPLE

ABSTRACT *The present article originated as an attempt to show how young Serbian people understand the idea of religion and marriage in the Orthodox Church. The aim of the present study is to find out whether adolescents are able to explain what is the true meaning and value of marriage and how it affects them. The research is a part of a grant project at University of Ostrava and is based on a questionnaire which served as an instrument to collect as much material concerning attitudes of young people towards religion as was needed.*

KEY WORDS *religion, understanding of religion, Orthodox Church, marriage, engagement*
