

K PROBLEMATICE PŘEVODU TOPONYM MEZI ČEŠTINOU A POLŠTINOU – EXONYMA A ENDONYMA

MARIE GRIGOVÁ

ON THE ISSUE OF TOPONYMS CONVERSION BETWEEN CZECH AND POLISH – EXONYMS AND ENDONYMS

ABSTRACT *The article deals with the transfer of geographical names between Czech and Polish. It defines the terms endonymy and exonymy terminologically. It examines the scope of codification and official lists of geographical names and exonyms. It also discusses the issue of awareness of users of a given language of the existence of these lists and the frequency of their use.*

KEY WORDS *endonyms, exonyms, toponyms, translation, Czech, Polish*
