IMAGE OF ROMANIES AND THEIR POSITION IN THE CZECH REPUBLIC DESCRIBED BY MEANS OF POLISH TOURIST GUIDES

ABSTRACT *The present article is based on the analysis of the content of Polish tourist guides to the Czech Republic or its parts. The topic of the analysis is the image of members of the Roma ethnic group, their position in the Czech Republic and the attitude of the majority society towards this minority. The guides mostly evaluate this attitude as negative and point to a number of prejudices and stereotypes towards this ethnic group.*
