

OBRAZ HISTORIE VLASTI V ČESKÝCH A POLSKÝCH UČEBNÍČÍCH¹

MICHAELA ZORMANOVÁ

THE IMAGE OF THE COUNTRY'S HISTORY IN CZECH AND POLISH TEXTBOOKS

ABSTRACT *This article aims to compare the presentation of national history in Czech and Polish literature textbooks for pupils from the first grade to the end of secondary school. Looking at history as a phenomenon will help to better understand the presentation of specific historical events. Comparisons will be made using discursive analysis.*

KEY WORDS *Literature text books, national history, Poland, Czech Republic*
