UNIVERSITY OF OSTRAVA

- Capital of the Moravian-Silesian Region
  - 300,000 residents
  - Great starting point for your adventure
- Surrounded by beautiful Beskydy Mountains

# EXPLORE OSTRAVA

The region containing Ostrava has the 2nd largest population in the Czech Republic, and is perfectly situated near beautiful mountain ranges, near the border of Poland and Slovakia with easy access to some of Europe's most beautiful capital cities. Ostrava is a "university city" with over 10% its population as students, and is famous for its vibrant nightlife. It offers a rich array of cultural sights and activities to suit anyone's tastes. In fact, one of Europe's best music festivals takes place in Ostrava during the Summer School period.
