<sup>2</sup> The deadline for handing in the final thesis can be postponed based on the student's request. The student sends the request via the student e-mail to the supervisor, who discusses the request with the head of the department and determines a new date. When setting a new deadline for handing in the final thesis, it must be guaranteed that the assessments will be drawn up and entered into the Dipl2 system within the required period.

<sup>3</sup> For combined and two-field bachelor studies and for teacher study programs, the departments will list at least two dates between 12 May and 9 June 2025, the interval between the dates must not be shorter than 10 days

<sup>4</sup> In case the student takes part in the term advertised between 12 June and 27 June 2024, the faculty does not guarantee the issuance of a diploma (and thus the possibility of attending graduation ceremonies) in the summer term.

<sup>5</sup> In justified cases, the student can arrange an individual internship date with the internship guarantor.
