The interview could also be conducted online, a link to the meeting will be sent to the email you provided in your application.

The Dean of the Faculty may set an alternative date for the admission examination.

A possible alternative date will be specified later, please follow the website of the Faculty of Science of the University of Ostrava concerning the Admission Procedure.

The alternative date is granted at the Faculty of Science only for serious reasons that prevent participation in the regular date of the entrance interview (time collision of the date of the entrance exam with the date of graduation or state final exams, hospitalization, etc.).

The alternative date must be requested in writing by the Dean of the Faculty no later than 2 days after the regular date of the entrance examination and the reasons must be substantiated by an appropriate confirmation. The Dean will decide on the seriousness of the reason.
